Background - About New Sight:

Four in five blind people in this world are needlessly blind. They are needlessly blind because we can do something to either prevent or treat their blindness. When sight is restored, lives are transformed – for patients, families, and even the whole community. New Sight Eye Care is a charity registered in the UK and in HK. Following the successful establishment of our first non-profit eye centre in Impfondo in the Republic of Congo, at the invitation and with the support of local authorities, we are extending our services through the construction and fitting out of a new comprehensive teaching eye hospital in Ouesso on a 6-hectare piece of land. This strategic location will enable us to reach out to the whole of Congo and neighbouring countries. We are looking for like-minded people passionate about giving the priceless gift of sight.

Position Purpose:

New Sight Eye Care is looking for a passionate and hardworking person to support the growth of the charity with clinical tasks.

Position Responsibilities:

The Optician/Optomtrist will:

- Carry out eye examinations
- Prescribe and manufacture prescriptive glasses

Qualifications and Requirements:

- Degree in Optometry
- Proven work experience in optical work
- In-depth knowledge of hospital procedures
- Thorough knowledge of best practices in healthcare
- Teamwork skills
- Great communication and people skills
- Excellent organisational and problem-solving skills
- French ideal but not essential
